

2025-2026 OFFICERS NOMINEES

● www.mobileclaimsassociation.com

About MCA

The Mobile Claims Association is your go-to network for professionals in the claims industry.

Our mission is to foster networking between adjusters, agents, and vendors while promoting professional development and community involvement. Whether you're a seasoned veteran or new to the industry, we welcome your interest and look forward to seeing you at an upcoming meeting.

President Nominee

Robert Uhler

Pilot Catastrophe Services, Inc.

reuhler@pilotcat.com

[Linkedin](#)

Robert Uhler is the current President of the Mobile Claims Association (MCA) and is running for reelection to the MCA Board. He, along with the current Board, has overseen the growth of the association to include the expansion and growth of the membership, expansion of our monthly meetings, and the successful annual MCA golf tournament, as well as our MCA annual holiday party.

He believes in the continued growth and expansion of the association, developing an updated website, and fiscal responsibility of the organization.

Professionally, Robert serves as a Senior Director for Pilot Catastrophe Services and is tasked with strategic growth and engagement. He began his insurance career in 1980 and brings over 40 years of experience to his role. He has been involved in almost every catastrophic event for over four decades.

Robert will continue to put the effort and diligence into the associations to continue the good work the Mobile Claims Association and former boards has done for the adjusting community.

President Nominee

Stuart Clark

**Paul Davis Restoration of
Mobile and Baldwin**

stuart.clark@pauldavis.com

[Linkedin](#)

With over 25 years of leadership experience within a wide range of industries, Stuart currently acts as President and General manager for Paul Davis Restoration of Mobile and Baldwin County. For Stuart, Operations is more than the coordination of construction and projects; it's about talent development and building positive cultures, something he's learned from his various roles. Prior to coming to purchasing his franchise territory, Stuart held leadership roles at CNC Catastrophe and National Claims/Verity Experts and Engineers/Flood Information Systems, TMX Finance, Waffle House Corporation, Royal Caribbean, as well as serving and deploying in the Marines and then serving in the Army National Guard as Crew Chief, then Pilot flying UH-60 Blackhawks.

Stuart's diverse career path allows him to see unique perspectives during each project he is leading. From overseeing integration of multiple carriers into CNC's claims handling program and adding 14,000 sq ft to the office/renovating the existing 12,000 sq ft, building and opening 6 restaurants/storefronts, and managing up to 685 people at a time in a 365-day a week model across multiple states, Stuart brings solutions and ideas to the table, no matter the challenge.

Vice-President Nominee

Sandy Cooke

EFI Global

Sandy.Cooke@efiglobal.com

[Linkedin](#)

Sandy Cooke serves as the Talent Acquisition Specialist at EFI Global, supporting nationwide staffing initiatives for the company's forensic engineering, fire investigation, and environmental consulting teams. Her previous experience includes more than 25 years in the Workers' Comp and Occupational Medicine sales, management, and patient care communities.

Sandy is a 26-year member of the Mobile Claims Association. She served as the Vice President of the Mobile Claims Association in the 2025 calendar year. Over the years, Sandy has passionately served on several non-profit boards of directors. She is currently a board member of the Buckaroo Foundation and an Ambassador with the Eastern Shore Chamber of Commerce.

As Vice President of the MCA board, Sandy is enthusiastically committed to serving, supporting, and representing the Mobile Claims Association and its members.

Treasurer Nominee

Emily Unsworth

**Paul Davis Restoration
of Mobile**

emily.unsworth@pauldavis.com

[Linkedin](#)

Emily Unsworth is the Business Development and Operations Coordinator at Paul Davis Restoration of Mobile, where she plays a pivotal role in connecting people, processes, and progress. With a background in meteorology from the University of South Alabama, Emily began her career in the insurance industry, first as a property adjuster and later as an agent. This unique experience gave her a deep understanding of the claims process from both sides of the table—knowledge she now uses daily to strengthen relationships with insurance professionals and ensure seamless collaboration between field teams and carriers.

At Paul Davis, Emily combines strategic oversight with hands-on training, educating her team on how to navigate insurance claims with professionalism and clarity. Her ability to speak the language of adjusters and agents allows her to position the company as not just a restoration vendor, but a trusted partner. Outside the office, Emily is a wife to Ryan and proud mom to their energetic 3-year-old daughter, Amelia, along with their two dogs, Ruger and Sadie. Whether she's managing an estimate review or planning a CE event, Emily brings energy, empathy, and efficiency to everything she does.

Treasurer Nominee

Preston Hattaway

Pilot Catastrophe Services, Inc.

pahattaway@pilotcat.com

[Linkedin](#)

Preston Hattaway serves as the Senior Operations Manager for Pilot Catastrophe Services.

He started his career with Pilot in 2005 when he was just 21 years old. Over the last 19 years, Preston has worked in various roles such as field and inside adjuster, large loss property adjuster, adjuster trainer, administrative manager, field manager, inside manager, storm manager, and Xactimate Affiliate Trainer.

Apart from training adjusters, Preston has collaborated with his colleagues to create several Pilot training classes such as Light Wind and Hail, Storm Preparedness, Train the Trainer, Hurricane Preparedness, Complex Adjusting Fundamentals, Property Field Claims College, and numerous client-specific training courses.

He now plays a pivotal role in leading the operations for many of the industry's leading carriers.

Secretary Nominee

Amy Todd

Engle Martin

Amy.Todd@englemartin.com

[Linkedin](#)

Amy Todd, BS, is a Senior Casualty/General Liability Property Adjuster at Engle Martin, bringing over thirty years of experience in property, casualty, and health claims insurance experience. Amy leverages her extensive background to help industry professionals and friends navigate their claims experience with ease. In addition to her role at Engle Martin, Amy has entered her third year serving as the Sergeant of Arms & on the Golf Tournament Board for the Mobile Claims Association. She uses her insurance and construction expertise to support and educate industry leaders and the community on claims processes.

Amy is dedicated to her three children in her spare time and actively volunteers at their school and with All Hands and Hearts disaster relief. Her passion for community service and claims support is evident in her life.

With a strong insurance and construction oversight background, Amy is committed to providing superior customer service, clear communication, thorough investigations, and swift resolutions for all claims. She continually educates herself on new construction practices and industry standards, seeking opportunities to expand her knowledge.

“I am grateful for the opportunity to continue my involvement with the MCA as we grow in the upcoming years. I enjoy educating and learning from my colleagues in the industry as we expand the MCA with new social activities, learning opportunities, and partnerships.”

Sergeant-At-Arms Nominee

Terry Sutton

Stephens Engineering

terry@stephensengineering.com

[Linkedin](#)

Terry Sutton is the Director of Education and Senior Account Manager for Stephens Engineering Consultants.

He has spent a lifetime teaching, counseling, and helping others. He has done so as a vocational minister, as a college adjunct professor, and as an insurance professional for the last 18 years. He is a frequent speaker to civic, professional, and faith-based groups about how to understand and help hurting people. His position with Stephens Engineering affords him the opportunity to frequently speak on hoarding disorder, insurance ethics, the psychology of odor, customer service, and other insurance-related topics through continuing education courses.

He is a licensed adjuster and IICRC certified. He has a B.S. degree from the University of South Alabama in Human Performance and a Master of Divinity degree from Southwestern Baptist Theological Seminary.

He and his wife, Debby, reside in Florida. They have four grown children and nine grandchildren.

Sergeant-At-Arms Nominee

Ryan Unsworth

LFG Building Consultants

Ryan@lfgrp.com

[Linkedin](#)

Thank you for the nomination to serve as Sergeant-At-Arms for the Mobile Claims Association.

I've been a licensed adjuster since 2017, initially working desk claims before transitioning to the field. After approximately four years in claims handling, I moved into the restoration side of the industry, serving as a Project Director and Estimator before stepping into my current role as a Building Consultant. Today, I assist insurance adjusters and attorneys with scope and valuation reports on complex residential and commercial property losses.

My experience on both sides of the claims process has given me a well-rounded understanding of our industry. I believe in clear communication, professionalism, and maintaining a respectful environment. These are values I would carry forward in serving the Association.

Fundraising Chair Nominee

Kristie Trout

Pilot Catastrophe Services, Inc.

kbtrout@pilotcat.com

[Linkedin](#)

Kristie Trout has spent the past 28 years with Pilot Catastrophe Services, building a career that combines a strong technical foundation with a passion for improving how property claims are handled. She began in database and technical administration and has grown into a leadership role focused on claims technology, property estimation services, and strategic partnerships with technology providers.

Kristie brings expert-level proficiency in Xactimate and XactAnalysis, playing a key role in implementing tools that drive accurate, efficient estimating across catastrophe and daily claims. Widely regarded as a go-to expert in the field, she is often relied upon by peers and partners for guidance on best practices, innovation, and problem-solving.

In addition to her professional work, Kristie serves on the board of the Mobile Claims Association as Fundraising Chairperson and Chair of the Annual Golf Tournament, leading outreach and fundraising efforts that support local causes and foster stronger connections within the claims community.
